# CHILLER CITY

## EPA CERTIFIED RECLAMATION FACILITY

---

---

## CERTIFIED REFRIGERANTS

---

### Independent Lab Verified

Chiller City's refrigerants are reprocessed and tested to AHRI 700 Standards by an independent third party Nationally Recognized Testing Laboratory (NRTL). Per EPA regulations and AHRI standards the reprocessing and testing procedures which Chiller City adheres to requires our refrigerants to be held to the same strict standards as manufacturers of new refrigerants.
